216. Public Transport in the area

a. Youth Cllr Saunders presented a comprehensive survey of those at school showing what modes of transport were used. Members congratulated Youth Cllr Saunders on his achievement but it was noted the next steps would be to ascertain who came by car and how, for one day, this number of cars could be reduced.

Youth Cllr Gill offered to assist Youth Cllr Saunders in his further investigations and to liaise with Mr Corbett about when a car free day could be held. It was noted that as well as students getting lifts to school some 6th formers also drove themselves and this, together with staff cars, was also an issue to address.

c. Youth Cllr Saunders advised that there appeared to be problems with the 550 and the Clerk agreed to report this to Cllr Gillmor for the public transport group to investigate.
